## Parish Investment & Affiliation Form Instructions

Please fill out one Parish Investment & Affiliation Form per family. If you are a member of St. Joseph Catholic Church in Bryan, simply return the form to the school office with the rest of your registration forms. The pastor's signature is not required. However, if you are a member of a Catholic parish other than St. Joseph, the form must be signed by your parish priest and then returned to the school.

Each parish may impose its own guidelines and stipulations when deciding whether or not to invest in a child's education. The parish is asked to help pay part of your tuition in order for you to receive the discounted parishioner rate. In doing so, each parish asks for your support through its own policies and requirements.

Parishioner requirements may include, but may not be limited to the following criteria:

1. Parents are active, registered members in the parish.
2. The family's annual contribution to the parish is a minimum of \$300.00 regardless of the number of children in the school. (In cases of financial hardship, the parents should contact their pastor to come to an agreement regarding their stewardship.)
3. The contributions are made using the envelope system or some other verifiable method for the sake of record keeping.

If you have particular questions about your parish policy and requirements, please call your parish office.

To avoid being charged the non-parishioner rate, this form must be signed and approved before July 1, 2017.
