

6TH GRADE SUMMER READING

ST. JOSEPH CATHOLIC SCHOOL

2017-2018

Dear Rising Sixth Grade Students,

To start off a successful sixth grade year, please be sure to have completed the following summer reading requirements before we begin school on **Monday, August 14th**. While my hope is that you are reading more than the minimum requirement, you must read one book of your choice from the provided summer reading list. You must read a book that you have not read before. When we return to school, we will begin the year analyzing different literary elements from your selected book. These assignments will count as your first English grade of the school year, so this is your chance to show off and begin the year with a bang! In the event that you've read all the suggested books, or have something in mind from the fantasy genre you'd like to read, feel free to contact me.

I hope that you have a wonderful summer!

Sincerely,

Mrs. Drymalla
