Wednesday night, the Class of 2018 took over the PAC converting it from a meeting space to dining room in which they served their honored guests: those who purchased tickets for the second annual "Senior Serve" dinner. The dinner was planned and served by members of the senior class in order to raise money for their senior class trip. Tickets were \$30/person and each senior was to decorate his or her table and then be the server of the meal for their table or tables. Tables could be as casual or formal as the student preferred and generally reflected the personality of the individual student. From baseballs and basketball jerseys, to track shoes, Ragin' Cajun memorabilia and Super Hero socks, our seniors went all out to express themselves. And they worked hard serving throughout the night and cleaning up afterward as well.

The seniors raised enough to cover their expenses on the senior trip scheduled for March 22-23 to San

Antonio. The class will be going to the San Antonio Zoo and Fiesta Texas, and will enjoy dinner and some site-seeing along the River Walk. Great job, seniors!
