

Welcome back Eagles, Eagle parents, and supporters,

As the 2016-2017 school year quickly approaches, it's time to begin those highly anticipated back-to-school shopping runs. Listed below is a school supply list for your child's campus. Please realize that the some teachers will likely ask for a few items on the first day of school, and throughout the year as well.

For High School Students:

*Please sit down together, parents/guardians and students, and discuss what organization system has worked in the past. Was it the 2 multi-subject spiral, one for the morning, one for the afternoon? Was it a different spiral for each subject? In addition to what has worked, be sure to frankly address what has not worked and devise a new plan. Remember, an organized student is better prepared for success and academic achievement. If you're a parent that is hoping for a little guidance or suggestions as to how to prepare and support your child in this endeavor, here is an exert from *Homework Made Simple: Tips, Tools and Solutions for Stress-Free Homework* by A. Dolin. (Don't let this article's title below discourage you.) Copying this specific link into a search engine brings up a 28 page PDF article from the book.*

HELP YOUR DISORGANIZED STUDENT - HubSpot

Even if you spend 10 minutes reviewing this article, supporting, encouraging and equipping your child to be organized gives them an advantage before they even step into the classroom. Organization as an executive skill starts as an early habit.

Thank you and blessings for a safe last few weeks of summer.

*Stephanie Rayburn
Assistant Principal, secondary campus
St. Joseph Catholic School*
