

St. Joseph Catholic School
Educating the mind, body and spirit since 1894
Secondary Weekly Bulletin
October 15 – October 19, 2018

St. Joseph Catholic School was established to provide a Christian Environment for students, staff and faculty alike that promotes both excellence in education and a spiritual faith formation. As a pastoral instrument of the Church, we intend to respond to the needs of the whole person and to support the spiritual, intellectual, physical and social development of each student. It is also our intention to challenge the students to work to the best of their abilities and to live as Christian examples of faith to one another and to the extended community. We will strive to explore and initiate innovations in education and our faith which will prepare the students to take their place as leaders in a changing and challenging society. October 26 – Football Varsity Senior Night

October 28 – Fall Festival

REMINDERS:

FISH Program - The start of another school year brings us many opportunities to volunteer for the school. You can apply those hours towards your Family Involvement and Service Hours (FISH).

As a reminder, the Volunteer FISH Program provides opportunities for parents to work together to build a strong community spirit at St. Joseph Catholic School. All elementary families are expected to complete 10 hours of service, while the junior high and high school families are expected to complete 20 hours of service. If you have multiple children, you are required to complete the older child's service requirement. It is important to us to have all our families involved with service along with the opportunity to help us to build our community into one of constant service for others. If your family chooses not to provide fish hours, you will be charged \$12.50 per hour. All hours are due on or before the end of the school year. Students of parents/families not fulfilling their FISH requirements (hours or payment) by that time will not receive their school transcript for the 2018-2019 year.

To submit your hours, email fish@stjosephbcs.org, and in the body of the email please include a concise description along with the number of hours volunteered.

Remember, in order for hours to be applied towards your balance, the hours must be used in service of St. Joseph Catholic School.
