

St. Joseph Catholic School
Educating the mind, body and spirit since 1894
Secondary Weekly Bulletin
December 10 – December 14, 2018

St. Joseph Catholic School was established to provide a Christian Environment for students, staff and faculty alike that promotes both excellence in education and a spiritual faith formation. As a pastoral instrument of the Church, we intend to respond to the needs of the whole person and to support the spiritual, intellectual, physical and social development of each student. It is also our intention to challenge the students to work to the best of their abilities and to live as Christian examples of faith to one another and to the extended community. We will strive to explore and initiate innovations in education and our faith which will prepare the students to take their place as leaders in a changing and challenging society. St. Joseph Mission Statement

ANNOUNCEMENTS FOR THE WEEK:

Lost and Found - As the winter season is now in full swing, our Lost and Found is overflowing with clothing, both school uniforms and otherwise. Items include lunch boxes, jackets and even a flip cell phone. Please have your student look through the lost and found (behind Dr. White's desk) during non-class hours should they have misplaced ANY item of clothing or otherwise. All unclaimed items with no name will be moved to the used uniform closet or St. Vincent DePaul after Friday, December 14th.

ITBS Scores (6th through 8th grades) – We will be sending home your child's ITBS scores this week. The ITBS is a normative assessment which refers to the process of comparing one test taker to his or her peers. We are testing the students and evaluating their scores in comparison to the nation, not just their classmates. As an administrator, and I am sure you would agree as a parent, I want our students to be compared to a large pool of students from around the nation rather than just a class of 10 to 15 individuals.

At St. Joseph, we utilize the ITBS as a normative assessment for diagnostic purposes. That is why we choose to administer the exam in the fall rather than spring. From the test results, the teachers identify the student strengths and weaknesses and address these needs accordingly. As administrators, we look at the results for strengths and weaknesses in the curriculum as a whole and determine how to address those needs. This opportunity allows us to address the areas of need in the middle of the school year, rather than at the end.

It has always been our school policy that the student scores are sent home to the parents so that they can work with the teachers to address the identified student needs. As I have stated early, the administration looks more closely at the class percentages to assist with identifying the strengths and weaknesses in the curriculum as a whole.

Penance Service – The junior high and high school students will have the opportunity to attend confession on Tuesday, December 11th. We will not attend mass on Tuesday or Wednesday of this week.

Elementary and Junior High Spelling Bee – The school wide spelling bee will be Thursday, December 13th at 1:15pm in the Elementary MPR.

6th grade: Joey Shirley and Molly Seago
7th grade: Asher Rice and William Matocha
8th grade: Sam Colley

Field Day Kick Ball Tournament – If the weather behaves and the field conditions are good, we will have our Field Day Kick Ball tournament this Friday, December 14th. We will be out at the complex all day. Students need

to ensure they are dressed appropriately based on weather conditions. **Breakfast and lunch are provided, however, the students will need to bring a water bottle.**

We will be watching the weather closely this week and will decide by mid-week if we need to reschedule Field Day based on weather and field conditions. The fields are more than likely going to be wet and messy. Might not be a bad idea to bring a change of clothes. We will do our best to keep students away from the really bad areas on the field. If we do need to reschedule, we will wait to do so in the spring.

Fall Athletic Sports Banquet - Sunday, December 16th @ 1:30pm – Please RSVP to Sonia Drabek (ssdrabek@hotmail.com) by **Thursday, December 13th!** The event will be catered by Texas Roadhouse. SJS athletes are FREE, adults are \$15, and children 8 and under are \$10.

Midterm Exams Schedule – Please see attached the mid-term exam schedule and rules for exemptions for high school exams.

UPCOMING EVENTS:

December 17th through December 19th:

Finals

***December 19th:**

Last day of school before Christmas holiday: NO AFTER SCHOOL CARE and DISSMISSAL is at 3:15pm

December 20th through January 4th – Christmas Holiday (NO SCHOOL)

January 7th – Return to School from Christmas Holiday

REMINDERS:

Stopit

Students can download the free Stopit app from the “App Store” or “Google Play” and type in the **school access code: sjcseagles**.

FISH Program – Winter sports are upon us and it is another great opportunity to obtain FISHours!

[At this link](#) you can find our volunteer sign-up sheets for the Junior High and High School Basketball seasons. With over 30 game days, 90+ games, and three spots per game on the horizon, the saying "many hands make light work" could not ring more true.

If you are interested in working the clock, but may not feel confident about the controls, please reach out to Coach Bergkamp mbergkamp@stjosephbcs.org and he will set up a time to teach you.

To submit your hours, email fish@stjosephbcs.org, and in the body of the email please include a concise description along with the number of hours volunteered.

Remember, in order for hours to be applied towards your balance, the hours must be used in service of St. Joseph Catholic School.
