

St. Joseph Catholic School
Educating the mind, body and spirit since 1894
Secondary Weekly Bulletin
August 27 – August 30, 2018

St. Joseph Catholic School was established to provide a Christian Environment for students, staff and faculty alike that promotes both excellence in education and a spiritual faith formation. As a pastoral instrument of the Church, we intend to respond to the needs of the whole person and to support the spiritual, intellectual, physical and social development of each student. It is also our intention to challenge the students to work to the best of their abilities and to live as Christian examples of faith to one another and to the extended community. We will strive to explore and initiate innovations in education and our faith which will prepare the students to take their place as leaders in a changing and challenging society. REMINDERS:

FISH Program - The start of another school year brings us many opportunities to volunteer for the school. You can apply those hours towards your Family Involvement and Service Hours (FISH).

As a reminder, the Volunteer FISH Program provides opportunities for parents to work together to build a strong community spirit at St. Joseph Catholic School. All elementary families are expected to complete 10 hours of service, while the junior high and high school families are expected to complete 20 hours of service. If you have multiple children, you are required to complete the older child's service requirement. It is important to us to have all our families involved with service along with the opportunity to help us to build our community into one of constant service for others. If your family chooses not to provide fish hours, you will be charged \$12.50 per hour. All hours are due on or before the end of the school year. Students of parents/families not fulfilling their FISH requirements (hours or payment) by that time will not receive their school transcript for the 2018-2019 year.

To submit your hours, email fish@stjosephbcs.org, and in the body of the email please include a concise description along with the number of hours volunteered.

Remember, in order for hours to be applied towards your balance, the hours must be used in service of St. Joseph Catholic School.

Lunch Program – Students may order a salad, baked potato, and PB&J offered by our kitchen, or a hot lunch from one of our outside designated vendors. Lunch and break must be ordered on Renweb by **Sunday(midnight)** for the upcoming week. The menu on Renweb, will detail what items can be ordered each day. Please understand that we CANNOT provide a lunch for a student that was not ordered by **Sunday(midnight)** before the upcoming week.

Creating a Renweb Account and Ordering Lunch on Renweb – **Please see instructions on how to order on Renweb.**

Payments for lunch – You can pay for lunches by check or cash with the front office. If you wish to pay by credit card, go to our school website at www.stjosephschoolbcs.org, click on the PARENTS tab, and then click on PAYMENTS. Please keep in mind there is a fixed convenience fee for each credit card transaction. Each family has one account for all family members, so one payment takes care of multiple students. Follow the directions provided carefully.

PARENT/STUDENT HANDBOOK - Please read over all of the information in the handbook with your child. The handbook is located online at www.stjosephschoolbcs.org, under the PARENTS tab. The last page of the handbook is a signature page that requires both parent and student signatures. The signature page **WAS DUE** to your child's third period teacher last Friday, August 18. If you have more than one child, please turn in one signature page per child.

Additional Forms to Sign and Return – Please review and sign the Technology Agreement and Medication Permit form. **Please understand that we CANNOT administer any medication unless the Medication Permit form is signed by the doctor.**
