EAGLES, SOAR...

What do slime, a junior high retreat and police officers all have in common? Well, nothing really, but our students participated in each of them this week!

It was a long week of testing for our junior high students as they took ITBS tests this week. These tests show the teachers each student's strengths and weaknesses and how to address these needs accordingly.

Over at the Elementary Campus, Mrs. Fenske's science class was slime-tastic this past Wednesday when the second graders got to make slime after learning about the states of matter. It's pretty amazing what glue, baking soda, contact solution and a little food coloring can create! The students loved it!

Last night, The Eagles beat BVCHEA (JV) with a 57-0 win. With the win, St. Joseph improved to 3-1 on the season. Next up is our homecoming game against Grace Christian next Friday. Alumni will receive a free hamburger meal from SJCS.

This morning, our Elementary Campus Student Council hosted "Thank a Police Officer Day" by inviting all local law enforcement to stop by for free coffee and donuts.

In case you missed it, Lacy Matocha and Samuel Seago went on air this morning on Candy 95 to promote SJCS for Battle of the High Schools. The interview can be found on our Facebook and Twitter. You can vote daily on candy95.com!

Our junior high students had their first Day of Reflection today. They spent the day in small groups, prayer and growing in their faith together.

As always, be sure to keep up with SJCS on Facebook and Twitter @sjcsbcs for the latest news and announcements. Our full calendar of events is available on the school website.

HOMECOMING WEEK

HALL THEMES FOR

Deck the Halls
